Lab 12 – semana 12 (Azure)

Edwin David Santisteban Grajeda - 1047425

Guatemala 23 de septiembre de 2026

Inicio de sesión (creación de cuenta en Azure)

The screenshot shows the Microsoft Azure Education portal. The top navigation bar includes the Microsoft Azure logo, a search bar, and a user profile. The main content area is titled "Education | Overview" and features a sidebar with navigation links: Overview, Learning resources, Roles, Software, Learning, Templates, GitHub, and Need help?. The main content area is divided into several sections: "Student offer details" showing available credits (\$100 out of \$100) and September costs (\$0.00); "Popular solutions" with links to Deploy a Docker container, Create your first Node.js app, Create and train a Machine Learning model, and Build and deploy your first website; "Free Services" including Azure Virtual Machines, Azure Blob Storage, Computer Vision, and Azure App Service; "Free software" such as SQL Server 2019 Developer, Machine Learning Server 9.4.7 for Windows, Visual Studio Enterprise Edition 2022, and Microsoft R Client 9.4.7; "Free learning paths" for Data Scientist and AI Engineer; and "Resources" including a Get started guide, Pricing calculator, and Optimize your cloud investment with cost management.

Creación Storage Account

The screenshot shows the "Create a storage account" wizard in the Azure portal. The wizard is divided into several tabs: Basics, Advanced, Networking, Data protection, Security, Encryption, Tags, and Review + create. The "Review + create" tab is currently selected. The "Basics" section shows the following configuration:

Subscription	Azure for Students
Resource group	rg-mia-2026
Location	Chile Central
Storage account name	storageesemana12es
Primary service	Azure Blob Storage or Azure Data Lake Storage
Performance	Standard
Replication	Locally redundant storage (LRS)

The "Advanced" section shows the following configuration:

Enable hierarchical namespace	Disabled
Enable SFTP <td>Disabled</td>	Disabled
Enable network file system v3 <td>Disabled</td>	Disabled
Allow cross-tenant replication <td>Disabled</td>	Disabled
Access tier <td>Hot</td>	Hot
Managed Identity for SMB <td>Disabled</td>	Disabled
Require Encryption in Transit for SMB <td>Enabled</td>	Enabled

At the bottom of the wizard, there are three buttons: "Previous", "Next", and "Create". The "Create" button is highlighted in blue. A "Give feedback" link is located in the bottom right corner.

Creación container docuemntos

The screenshot shows the Microsoft Azure portal interface. On the left, the navigation pane is visible with the 'Containers' section selected. The main area displays the 'New container' dialog box for the 'storagesemana12es' storage account. The dialog has a 'Name' field, an 'Anonymous access level' dropdown set to 'Private (no anonymous access)', and an 'Advanced' section with options for 'Encryption scope' and 'Enable version-level immutability support'. A 'Create' button is at the bottom of the dialog.

Proceso de subir un archivo al contenedor

The screenshot shows the Microsoft Azure portal interface for the 'documentos' container. A notification banner at the top right states 'Successfully uploaded blob(s)'. The container overview shows a table with one item:

Name	Last modified	Access tier	Blob type	Size	Lease state
Prueba_Corta_MIA_Semana_6_Edwin_Santisteban_pdf	23/9/2026, 8:37:08 p. m.	Hot (Inferred)	Block blob	471.28 KiB	Available
